**STATEMENT OF
SUBSTANCE OF
INTERVIEW**

January 16, 2007

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is responsive to a requirement, in an "Interview Summary" form that was attached to an Office Action dated January 8, 2007, for a statement of the substance of the interview. Such a requirement has begun to appear in recent versions of the "Interview Summary" form. No justification for such a requirement is known to the undersigned attorney, but the following statement is hereby provided:

The Examiner telephoned to say that she had conducted another search and would issue a new Office Action. She also stated that it would indeed be desirable to amend the specification as proposed on page 6 of the Amendment filed October 4, 2006.

Respectfully submitted,

Allen Wood
